Teacher requests, start time, and period day preferences are not factors in creating a student's schedule. I understand that schedule changes must take place during the first 10 days of the semester. I also understand that schedule changes will be approved only if a student needs a different level of a course, the course was entered incorrectly according to this Course Selection form or there is a hole in the student's schedule. All schedule change requests will be reviewed by an administrator and will be approved only if the request meets the schedule change criteria.

11th Grade Course Selection Instructions

2018 - 2019

Please read all directions carefully.

Student and parent signatures are required (see reverse side).

Required Courses: 11th Graders must enroll in one course from each of the following areas: English and Social Studies. Possibly Mathematics and Science depending on courses you have completed. Please select your preferences by circling the course title. Please review the prerequisites in the Academic Planning Guide to ensure you meet the criteria to enroll in the course. All course descriptions and prerequisites are available in the Academic Planning Guide www.novatohs.org.

Other Courses: Please circle your first choice as well as two (2) alternates in the spaces provided.

Change your mind after this form is turned in? Submit your request for a change **IN WRITING** as soon as possible to the Counseling Office and include the following information: name, phone number, email address, course to be deleted, course to be added and parent's signature.

Please Note: Teacher requests, start time, and class period preferences are not factors in creating a student's schedule. If a class is cancelled due to low enrollment you will be notified and asked to select another course or a selection will be made for you based on your alternate choices.

Schedule Changes at the Start of the School Year: Schedule change requests must be made within the first 10 days of each semester and will only be approved for the following reasons:

- 1) The student needs a different level of a course (if a student failed a course and is not eligible to move to the next level).
- 2) The course was entered incorrectly according to the Course Selection form.
- 3) There is a missing course in a student's schedule. Schedules will not be changed for start time preference, teacher preference, for students to be in the same class as their friends or any reasons other than those listed above. All schedule change requests will be reviewed by an Administrator and will be approved only if the request meets the schedule change criteria.
