

Novato High School PTSA ACADEMIC BOOSTERS

*“Promoting and enhancing academic success and achievement for all students at
Novato High School!”*

Welcome to the 2018-19 school year! We would like to take this opportunity to (re) introduce you to Academic Boosters, which is a vital component of our Novato High School Parent Teacher Association (PTSA). For the 2017-18 academic year, we honored over 850 students for making honor roll with public recognition in the Marin IJ. Academic Booster donations go specifically to support the following activities:

- Support the academic success of all students by providing a free after-school tutoring program 3 days a week for the entire school year, funding two credentialed teachers to lead the program.
- Recognize, promote, and motivate our students academic achievement by:
 - Sponsoring academic achievement ceremonies.
 - Organizing and funding an Academic Letter program, similar to the one available to athletes which recognizes academic success.
 - Organizing and funding honor cords to be awarded to graduating students who made honor roll their entire high school career.
 - Offering Extraordinary Academic Achievement and Exceptional Academic Improvement awards based on teacher nominations.
- Provide staff with the resources needed to ensure that every child receives the support needed to achieve academic success.

Your contribution supports academic recognition, classroom learning, sponsors scholarships for college testing costs, and requests from teachers for departmental enrichment. This may include material needs and/or special programs. Another essential form of support is your donation of time. Volunteers are needed to help with our yearly Academic Awards Night in February. Watch your email for information on volunteer needs and how you can help!
